# EAT. SHARE. CELEBRATE

It seems surreal to think that Dorothy Lane Market, a locally owned and operated purveyor of good food, began as a fruit stand in 1948, much like one you'd see at a farmer's market. Today, Dorothy Lane Market, or DLM as so many call it, is a treasure in the Dayton, Ohio, area. DLM isn't just a store; it's a shared experience that pulls people together—near and far—under one humble mission: To provide the best quality food and ingredients.

Often, those ingredients are sourced locally to bridge the farm-to-table gap. In other instances, DLM cultivates rich relationships with artisans abroad in countries like Italy, Spain, and France. That commitment to seeking out passionate partners is what makes the taste and experience of DLM oh-so memorable, from the everyday staples to the healthy, the specialty, and the gourmet goodness.

And through shopDLM.com, it's all at your fingertips. Whether you've moved and seek that taste of home, or are simply looking to share the gift of great food, this boutique online food experience brings your favorites almost anywhere.

Whatever the holiday or occasion, shopDLM.com is sure to please, as good food unites people, near and far.

The best food is meant to be shared.

# THE BEST GIFT EVER: KILLER BROWNIE®

Just say its name, and you'll hear a ripple of accolades telling swooning tales of the taste left from a Killer Brownie®—a trademarked tradition for 27 years and counting. Choose from eight varieties to suit your palate, or stick with the Original. In each, you'll find a three-tiered stack of gooey goodness. A single Killer Brownie® (weighing in at approximately 1/3 lb) can serve four—or fewer if nobody is looking. Take your pick: Each of the below run \$5; or see opposite page for gift tins and trays.

**A • Original** • As the name implies, it all started here, with the Original. Layers of scrumptious chocolate brownie chock-full of pecans sandwiched in a blanket of velvety caramel.

**B • Not-A-Nutter** • Minus the pecans from the Original, and instead, amp up the chocolate. This slight twist is sure to please any chocolate fanatic.

**C • Blonde Ambition** • This truly unique take is layered with a smattering of Macadamia nuts, a heath mix, white chocolate, and smooth and creamy caramel. Take it to the next level with a scoop of vanilla ice cream or gelato (trust us on this).

**D • Salted Caramel** • Start with the Original, and fold coarse sea salt into the buttery caramel to create a balance of savory and sweet taste sensations.

**E • Peanut Butter** • A swirl of mouthwatering peanut butter combines with creamy caramel—all stacked between a brownie infused with peanuts.

**F • Cream Cheese** • In an interesting twist, a layer of cream cheese is infused in the Original—taking the flavor profile in a completely different direction.

**G • German Chocolate** • Hold the caramel, and lay on a luscious German chocolate icing—boasting coconuts, almonds, and pecans.

**H • Brookie** • The warming taste of a chocolate chip cookie marries with the allure of a Killer Brownie® in this recipe that holds the nuts, but lets chocolate chips take center stage.

# BREAKING BREAD

“Breaking bread” has long been a colloquial phrase to symbolize the sharing of something, whether it be a meal, ideas, or to signify coming together. We can think of no better way to connect with one another than by sharing fresh-baked, handcrafted artisanal bread, whether it’s sliced and layered with a Gruyère for a memorable grilled cheese, or used to mop up every last trace of olive oil or marinara. Skilled bakers craft our breads daily using European hearth ovens that weigh several tons. These special ovens bake each loaf evenly and finishes them off with a blast of steam, contributing to a caramelized crust that locks in the freshness of the fluffy, flavorful interior. Through shopDLM.com, you can access this freshness from almost anywhere, available to order in single loaves, a sampler gift basket, or through our DLM Artisan Bread of the Month Club.

## San Francisco Sourdough

One of our most cravable breads, this is the loaf with the blistered, bubbly crust and distinctive, tangy flavor. We don’t make ours overly sour; you’ll find it one of the most balanced in flavor. **\$8**

## Bread Sampler

Baked fresh from our Bakery, this trio combines our three top loaves with distinctive characteristics. The **Farmhouse**, admired for its hand-cut ribbon design on top, isn’t just beautiful. It undergoes a slow fermentation, which can be detected by a slight sourdough taste, encapsulated with a hearty crust that seals in freshness. It’s a primer for the **San Francisco Sourdough**, made from a unique sourdough culture that’s tangy without being over the top. The distinct flavor of this robust loaf is mouthwatering. To balance out this trio, you’ll find **Rustic Country**—a French-inspired, light and airy loaf with a thin crust, delivered in varied shapes as its name hints. **\$25**

## DLM Artisan Bread of the Month Club

Staying stocked with fresh-baked bread doesn’t have to be a chore. Sit back and relax. When you sign up for the DLM Artisan Bread of the Month Club, we’ll send two loaves of our freshly baked DLM Artisan Bread in different varieties each month. Choose from a two-, four- or six-month subscription (perfect for gifting, too). The next best part, other than the flavor and convenience? Shipping on subscriptions is free!  
**2 months · 4 loaves, \$60 | 4 months · 8 loaves, \$120 | 6 months · 12 loaves, \$180**

## Asiago Cheese

Our bakers marry our French Baguette dough with one of Italy’s most popular cheeses, Italian Asiago. It has a nice tang and saltiness, making it good as is, or for sandwiches like grilled cheese and patty melts. **\$10**

## Dress your Bread

Smatter. Daub. Dip. Take your pick. You’ll find any number of flavors to complement our artisan loaves of bread, such as the creamy DLM Organic Peanut Butter, the tart DLM Black Raspberry Preserves, or rich DLM Apple Butter with Sugar & Cinnamon. **\$6-\$7**
